

## WHO IS DAVID HARSH?

He is a classically-trained opera singer who has transformed completely into an acoustic Christian artist. God had a plan for David, and David was listening for God's voice. Now David writes and performs his own music all over the country.

### DAVID'S VISION:

"I want to share God's love through music and through my life with a spirit of total excellence, for His Glory, until I am completely poured out!"

## David Harsh

## What makes David Harsh unique?

*David's creativity on the acoustic guitar comes through every song. Whether he is playing 2 guitars at once, layering multiple sounds with his loop station, or tapping all over the instrument, he is constantly "breaking the mold!"*

*You will be blessed by the man, the music, and the message.*

### WHO ENJOYS DAVID'S MUSIC?

### WORSHIP LEADING

Although David's primary focus is sharing his original music, he is also a skilled worship leader. David has been invited to be a guest worship leader in numerous settings, from local churches to regional conferences. He has a heart for worship, and finds a clear distinction between worship leading and performing.

### MUSIC SEMINARS

David taught private guitar lessons for several years. When his performing career took off, he stopped teaching, but he still had a desire to give back his knowledge. For this reason, David now teaches eight different seminars, which are available prior to some of his concerts. *"It was a delight to have David lead worship in our morning services, and his performance in the evening concert was marked with inspiration, skill, professionalism and humility."*
