## Pre-order the album!

For a limited time, **until October 31**, you can pre-order the album if you live in the United States. There are multiple reasons why it's a good idea to pre-order the album...

In addition to helping cover the huge expense of the recording, you're supporting David and Whitney's full-time ministry. This is a huge blessing to them.

As far as what you have to gain by pre-ordering the album, there are 3 benefits:

1) **Free shipping!** If you pre-order the album, you don't have to pay for shipping. This is a limited-time offer that applies only to the new album, and to the pre-order. Everyone who orders the album from the website *after* October 31 has to pay an additional \$2 for the first CD and \$1 for each additional CD, to cover shipping.

2) **Early delivery!** The album will be available for the first time on Saturday, November 18. But if you pre-order it, yours will be shipped to you early. It will arrive on or before November 17, and maybe even earlier.

3) **David's autograph!** David won't be able to sign everyone's CD at the release concert on November 18. Some people will need to come to another concert later to get their CD signed. But if you pre-order yours, you will be guaranteed that David will sign your CD, to whomever you wish.

Here's the best part: **There's no limit to the number of CDs you can pre-order!** To pre-order your copy today visit David's website and click on **PRE-ORDER**. You can also print [page 4](#) of this newsletter. It's a pre-order form!

## Help promote the album!

Posters and postcards will soon be appearing at churches all over the country, where David has shared his music. This is to help get his current and potential fans excited about the album's release.

If you don't see a poster or postcard at your local church by the end of October and you want to help change that, you can! After getting permission first from your church leadership, you can contact Whitney Harsh by e-mail ([whitney@davidharsh.com](mailto:whitney@davidharsh.com)) to request posters or postcards. The posters are full-color, 11 x 17", and the postcards are 4¼ x 6." Because these materials are expensive to print, we ask that you only request the amount of posters that will be publicly displayed.

If you want to promote David from your own home, just use your mouse and keyboard to tell your friends about his website. David is an independent artist, and his ministry grows by word-of-mouth. You can encourage them to visit David's website to click on **SOUND CLIPS**. OR, if you want to raise some eyebrows, you can send them to David's website and encourage them to click on **VIDEO CLIPS**.

## Pray for the album!

As you are reading these words, the album is being manufactured. During multiple stages of the project, there has been a strong element of spiritual warfare, opposing the good work David and his team have been doing. David and Whitney believe that the messages in these songs will encourage God's children, and that includes you. They desire that the album would further God's kingdom.

For these reasons, they welcome any specific prayer requests you might offer. Here are some things you could pray for:

- ✦ That word would get out to the right people about the album, and that the music would travel far and wide across the world to bless people
- ✦ That nothing technical in the manufacture or distribution would delay or prevent the music from reaching people
- ✦ That people would buy the album and not copy it, so that David & Whitney would be able to make back all the investment of time and money into the project and continue forward in ministry
- ✦ That God's purposes would be abundant in all aspects of the mailing, the ordering, and the listening of the album

*We thank you for your support of our ministry. We're thrilled to witness the Lord's faithfulness, and we are so grateful for His provision in this new album.*

*Please join us in celebrating His mighty work!*

*In Christ,*

*David and Whitney Harsh*
