The David Harsh Guitar Symposium was a Success

For the second year in a row, David taught his special residential guitar seminar to 9 eager students. In a cozy retreat center on Hood Canal, David explored many relevant subjects for the Christian guitarist, and students traveled from as far as Bozeman, Montana to experience it. Plans are already underway for the 2011 Symposium, for which registration will open this fall.

**Brennan Manning Weekend is Fast
Approaching**

David looks forward to a once-in-a-lifetime opportunity of serving alongside Christian author and speaker Brennan Manning for a full weekend this coming February 5-7. The author of *The Ragamuffin Gospel* and *Abba's Child*, this well-traveled troubadour of Christianity will be bringing a message about "Healing Our Image of God and Ourselves." David will be leading worship at all the sessions, as well as performing an evening concert on Saturday. Spaces are still available. Learn more by clicking [here](#).

**Spring Calendar Dates are Available for David to Serve at
Your Church or Gathering**

David's weekends are mostly booked through the end of February, but many dates remain in March and April. We encourage you to let your church know about David's musical creativity, this ministry, and our desire to serve. It is because of these concert bookings that we are sustained in our efforts.
