THIS IS A RARE OPPORTUNITY!

Max ZT is a master of the hammered dulcimer, with influences from around the globe. He is perhaps the fastest player alive, and he breaks past the traditional paradigm with his world music style. His teaching approach is generous, fast-paced and enthusiastic, and his knowledge of the instrument is vast. Intermediate and advanced students recommended.

Beginners would likely have a hard time keeping up, but would be highly inspired in their musical journey!

Catch Max live for his Seattle debut with House of Waters at the Triple Door Musiquarium – Friday, 1.20.17 from 5-7:30 p.m. (21+ / no cover).
